Happy Birthday! These companies celebrate their anniversaries at Ambiente and Christmasworld

Frankfurt am Main, January 2024. It's time to celebrate! Together with the trade fair team, numerous companies hold their anniversary at the world's leading consumer goods trade fairs Ambiente and Christmasworld from 26 to 30 January in Frankfurt. This year, over 20 international exhibitors are looking forward to celebrating their company anniversaries¹ – including ELO, Hoff Interieur, Porcel, Robbe & Berking and Vista Alegre.

There is a lot to celebrate at the upcoming Ambiente and Christmasworld: whether a long-standing traditional company or a successfully established start-up – more than 20 birthday celebrations will take place throughout the exhibition halls of the world's leading consumer goods fairs Ambiente and Christmasworld in Frankfurt. The trade fair team visits the respective companies at their stands and congratulates them personally. "We are delighted with every single exhibitor. They can look back proudly on their successful company years and long existence – on their perseverance, innovative strength and passion. They are sending a strong signal to the market. It's important to recognise such successes and celebrate the moment. We have maintained a close, partnership-based relationship with most exhibitors for years. It's great that our leading consumer goods fairs here in Frankfurt are the platform to celebrate these anniversaries together. We thank them for their trust and look forward to many more trade fairs together," says Julia Uherek, Vice President Consumer Goods Fairs Messe Frankfurt.

In 2024, seven exhibitors at Ambiente will celebrate more than a hundred years in business: Portuguese porcelain and glass manufacturer **Vista Alegre** will cherish 200 years in business this year.
